I believed Olathe Public Library's 470 to be filed in a timely manner; however, when filing a form 471, Form 470 Application # 832450000436973 would not authenticate. SLD identified the problem as an incomplete application because the online certification failed.

We request an extension of deadline to be able to certify the Year 2003 470 Form. Also we would subsequently need the deadline for filing the accompanying 471 Form adjusted accordingly.
